## Studienkolleg TU Darmstadt

### Academic Bridging Courses

Intensive study preparation, Feststellungsprüfung (FSP) – Assessment Examination, Key Competences and Qualifications, German Language Test for Entrance to Higher Education (DSH)

## What do we offer?

Our Studienkolleg / Academic Bridging Courses supports international students in their introduction to and preparation for their degree programmes at the TU Darmstadt and other universities in Germany. Depending on the field of study, we offer German language courses in combination with a wide range of subject-related topics.

- **T (Technik) -courses:** in preparation of study programmes in the field of technical and/or natural sciences and engineering  
[www.stk.tu-darmstadt.de/tkurs\\_stk/index.de.jsp](http://www.stk.tu-darmstadt.de/tkurs_stk/index.de.jsp)
- **G (Geisteswissenschaften) -courses:** in preparation of study programmes in the field of Humanities, Social Studies and Arts  
[www.stk.tu-darmstadt.de/gkurs\\_stk/index.de.jsp](http://www.stk.tu-darmstadt.de/gkurs_stk/index.de.jsp)

The Studienkolleg also offers interdisciplinary seminars and workshops in the following areas:

- **Key qualifications** and **intercultural competence**  
[www.stk.tu-darmstadt.de/schlueselqualifikationen\\_stk](http://www.stk.tu-darmstadt.de/schlueselqualifikationen_stk)
- **German Language Test (DSH)** for Entrance to Higher Education  
[www.stk.tu-darmstadt.de/dsh\\_stk](http://www.stk.tu-darmstadt.de/dsh_stk)

## How much will it cost?

Each semester, an administration fee will incur (i.e. 2013: **252,20 € / semester**) as well as an all inclusive examination fee of **100 €**. The fee includes a semester ticket for public transport of the Rhine-Main region (RMV)

Furthermore, a **private health insurance** is required. The premium varies between 60 to 100 € per month. Please also take into account **costs for living** and accommodation.

## How can you enrol?

**Registration is subject to acceptance** through the following universities or universities of applied sciences (Hochschule):

- Technische Universität Darmstadt (TU Darmstadt)
- Hochschule Darmstadt (h\_da)
- Hochschule RheinMain / RheinMain University of Applied Sciences / Wiesbaden Rüsselsheim (HSRM)
- Hochschule Geisenheim University
- Evangelische Hochschule Darmstadt (EHD)

The Technische Universität Darmstadt accepts **online applications only** through its Academic Exchange Office under <http://www.tu-darmstadt.de/aaa>. Please submit your documents to the address stated in the online application form.

**For all other universities** and universities of applied sciences (Hochschulen), please apply through uni-assist ([www.uni-assist.de](http://www.uni-assist.de)). Upon successful application you will receive an invitation letter to the entrance examination.

## How will you be prepared for the ‚Feststellungsprüfung‘?

Students study usually for 2 semesters receiving about 28–32 teaching units per week in the subjects listed below. Class size ranges from 18 to 20 students:

### T-course:

- German as a Foreign Language
- Mathematics
- Physics
- Chemistry
- Computer Science

### G-course:

- German as a Foreign Language
- History
- German Literature
- Social Sciences

**Sample tests and exercises** can be downloaded under: [www.stk.tu-darmstadt.de/tkurs\\_stk/learnmaterialient\\_stk](http://www.stk.tu-darmstadt.de/tkurs_stk/learnmaterialient_stk)
